

Grant Prideco | **NOV** Wellbore Technologies

Has conducted a quality program assessment of

OMPA s.r.l.

Located at

Vai Fondovalle Alento, 45
Torrevecchia Teatina (Chieti)
66010, Italy

The quality program has been surveyed and found to be in compliance with the requirements stated within Grant Prideco™ Licensee Quality Program Requirement HLAPO1 and associated documents. This facility is authorized and licensed to produce Grant Prideco™ products as described in the Technology License Agreement and as listed within the Grant Prideco Licensee Application.

It is the licensee's responsibility to ensure acceptable qualifying connections have been submitted to Grant Prideco™, and the resulting documentation appropriately maintained. Qualified connections shall be posted on the Grant Prideco Licensee Locator map at <http://www.nov.com/GrantPrideco/Locator.aspx>
