

Has conducted a quality program assessment of

OMPA s.r.l.

Located at

Via Fondo Valle Alento 45
66010 Torrevicchia Teatina (CH) – Italy

The quality program has been surveyed and found to be in compliance with the requirements stated within Grant Prideco™ Licensee Quality Program Requirement HLAP01 and associated documents. This facility is authorized and licensed to produce Grant Prideco™ products as described in the Technology License Agreement and listed here:

**GPDS™ (Grant Prideco™ Double Shoulder),
HT™ (HI TORQUE™), XT™ (eXtreme™ Torque),
XT-F™ (eXtreme™ Torque Fatigue Resistant)
XT-M™ (eXtreme™ Torque-M Metal Seal),
uXT™ (uLtimate™ XT™), uGPDS™ (uLtimate™ GPDS™),
TT™ (TurboTorque™)**

It is the licensee's responsibility to ensure acceptable qualifying connections have been submitted to Grant Prideco™, and the resulting documentation appropriately maintained. Please visit <http://www.nov.com/GrantPrideco/Locator.aspx> to determine licensee's current qualifications.
